

User agreement

I (hereinafter - "I" and/or "User") agree to the terms of this User Agreement and, using the site: polypro.com.ua (hereinafter - "Site", "Online Platform") and/or other services, when placing an order, correspondence, telephone conversation, leaving feedback, etc., I consent to the processing and protection of my personal data, as a User, in the scope and order, in accordance with the purpose of processing in accordance with the Regulation on the processing of personal data. (hereinafter - "Regulations" and/or "Regulations on processing and protection of personal data").

Personal data

What information we collect

On the Online Platform, when you place an order, research or otherwise interact with us, we collect both personal information and general data.

Personal information relates to an individual user and is processed in the manner, within the limits, and for the purpose specified in the Regulations. We do not require registration or providing such information in order to view our online platform and gain access to its content.

In order to place an order for goods/services, participate in promotions, research or otherwise interact with us, you should carefully familiarize yourself with your rights and obligations regarding the processing of personal data, which are specified in Art. 8 of the Law of Ukraine "On the Protection of Personal Data" and the Regulation, carefully familiarize yourself with this User Agreement and the Regulation, as well as express your full agreement with their terms.

If you do not agree with any of the terms of this User Agreement and the Regulation on the processing and protection of personal data, please do not provide personal information (personal data).

Why we process personal data

The term "personal data" is used in the meaning defined in the Law of Ukraine "On the Protection of Personal Data" and constitutes a set of information about use, which is defined in the Regulations.

We may process your personal data for the purposes and with the purpose specified in the Regulations. At the same time, one or more goals can be applied simultaneously.

We act in accordance with this User Agreement, on the basis of the Regulation on the processing and protection of personal data and on the basis of the current legislation of Ukraine. We have the right to retain Personal Data for as long as necessary to fulfill the purpose specified in this User Agreement and Regulations.

How we collect information

The purpose, purposes of processing personal data, as well as other conditions for processing personal data are defined in the Regulation.

Personal information, as we mentioned above, comes directly from you and with your knowledge. When you place an order for a product, we collect the information you provide so that we can place the order and deliver it to you. When you send us an email, we store the email address you provide so that we can respond, etc.

We also constantly collect general information when you visit our online platform. The process of collecting such data takes place with the help of cookie technologies, as explained below.

Cookies

Like many other companies, we use cookie technology on and off our online platform. Cookies are pieces of information that the Online Platform transfers to the consumer's (User's) hard drive to store information related to the Online Platform. This technology expands your Internet experience by keeping your priorities in mind while browsing a particular site. The cookie technology does not contain personal information and cannot in any way configure your system or read information from your hard drive.

When browsing our online platform, we may place cookies on your computer. Such temporary cookies are used to count the number of visits to our online platform. They are deleted when you exit the browser. Persistent cookies can be stored on your computer by your browser. During registration, this type of cookie informs you: this is the first time you have visited us or visited our online platform before. Cookies do not contain Personal Data and can be blocked by you at any time. Cookies do not collect personal information about you or provide us with your contact information, nor do they retrieve any information from your computer. We use cookies to determine the characteristics of the Online Platform and the offers that you like the most in order to provide you with more information in which you are interested. Cookies provide support for security functions and their activation. Cookies also allow us to track violations of the User Agreement by visitors or devices. Cookies help to estimate the number and frequency of requests, as well as to detect and block those visitors or devices that try to perform batch downloads of information from the online platform.

The "help" shortcut on the panel of most browsers will inform you how to prevent the browser from accepting new cookies, how to receive a message from the browser that you have received new cookies, or how to disable cookies. Remember that cookies allow you to fully use all the features of the Online Platform, and we recommend that you leave them enabled.

Prices and product availability

The description of goods posted on the Online Platform, including the prices indicated on the Online Platform and information on the availability of goods, may change. The amount of the order may vary depending on the price, quantity, and range of goods available at the seller on the date of shipment. The final price of the goods is indicated in the invoice and/or accompanying documents provided to the buyer (or his representative) when receiving the order. If the product is not available, the seller can unilaterally cancel the order.

Disclosure and Transfer of Data

Information on the conditions for disclosure of personal data to third parties is contained in the Regulation.
